## **Fiscal Impact/Funding Source**

## **Track Record/Monitor**

Not applicable

## **Background**

On March 9, 1960, Miami-Dade County acquired at no cost, by virtue of a Deed No. 40 recorded in Official Records Book 1972 at Page 511 of the Public Records of Miami-Dade County, Florida, rights in reservation over the East 50 feet of Section 29, Township 54 South, Range 39 East, a strip of land lying west of S.W. 157 Avenue and south of S.W. 56 Street and within the subdivision named Miami Everglade Land Co., Limited. Said rights in reservation were obtained from the Central and Southern Florida Flood Control District, presently known as the South Florida Water Management District, and were to be used in accordance with the requirements of the County Water Control Master Plan for flood protection and water management. However, the Water Control Plan shows no existing or proposed County canal at this location. Therefore, said canal reservation is no longer needed for canal purposes.

Deville Family Limited Partnership, owner of the land encumbered by the above-described reservation, has petitioned the County for the release of this 50-foot canal reservation. The Department of Environmental Resources Management has reviewed this request, and recommends approval of the attached County Disclaimer by the Board.
